For Professional Use:

Specifically formulated nutritional product derived from ingredients quality controlled for consistent potency and safety. This product was manufactured in a GMP Certified facility. Contains no sugar, starch, salt, preservatives, artificial colors, flavors or additives, corn, wheat, yeast, milk or gluten.

Recommended Dosage:

Three capsules twice daily with meals or as directed by your health care professional.

Tamper Resistant:

Do not use if safety seal is broken or missing.

As part of a well-balanced diet that is low in saturated fat and cholesterol, Folic Acid, Vitamin B6, and Vitamin B12 may reduce the risk of vascular disease.**

**FDA evaluated the above claim and found that, while it is known that diets low in saturated fat and cholesterol reduce the risk of heart disease and other vascular diseases, the evidence in support of the above claim is inconclusive.

180 Capsules
