

PRODUCT INFORMATION

Progenavite

A Multiple Vitamin with Chelated Minerals and Antioxidants
Hypoallergenic / Vegetarian

Improved Formula

Progenavite's new formula better demonstrates nutritional advances in delivery systems. We're confident you'll like the improvement!

- Hypoallergenic and Vegetarian
- Calcium - Calcium Citrate for improved Bioavailability
- Mineral Glycinates - We switched from amino acids derived from the hydrolysis of protein to free-formed amino acids (glycinates). Glycinates have a low molecular weight and an excellent stability constant, thereby optimizing bioavailability.
